Abu Dhabi City Municipality (ADM) (Arabic: ????? ?????) is the municipal body that has jurisdiction over city services and the upkeep of facilities in Abu Dhabi, United Arab Emirates. Established in 1962 as the Department of Abu Dhabi Municipality and Town Planning, it later became an organ of the newly created Department of Municipalities and Agriculture (now renamed to Department of Municipalities and Transport) in 2005 alongside the Al Ain City Municipality and the Western Region Municipality (now Al Dhafrah Region Municipality).
