Anker-Laura was the brand name of Laura Motoren from Eygelshoven in Limburg. The factory was set up in the early 1970s by the Laura & Vereniging coal mines as alternative employment after the mine closures. The factory supplied built-in motors to Batavus, Sparta, Berini, Magnet and Solex also belonged to their customers. There was also an outboard motor in their model package under the name Laura-Boatmaster. Later, the whole factory was sold to South Korea.
