**SYNOPSIS:** Marcus Burnett (Martin Lawrence) and Mike Lowrey (Will Smith) are best friends and detectives in the narcotics division of the Miami-Dade Police Department. One night, \$100 million of seized heroin is stolen from a secure police vault. This is a major blow to Burnett and Lowrey, because it was the biggest drug bust of their careers. Internal Affairs warns Miami PD that if they do not recover the drugs in five days the narcotics division will be shut down.

One thief, a former cop named Eddie Domínguez, is found dead at a hotel suite, shot to death by his boss, French drug kingpin Fouchet. Fouchet also kills an escort, Maxine "Max" Logan, who was hired by Eddie. It is revealed that she is also one of Lowrey's ex-girlfriends and one of his major informants. The only witness to the crime is Max's best friend Julie Mott (Téa Leoni), who watched the crime from the upper balcony of the suite.

Although she has not met Mike, because of Max's relationship with him Julie will only trust and deal with Lowrey. However, he is away when she contacts the police about the murders, threatening to run if she does not speak to Mike. Captain Conrad Howard (Joe Pantoliano) forces Burnett to impersonate Lowrey to get Julie to cooperate. In order to continue the deception, Burnett and Lowrey switch lives. Burnett tells his family he is going to Cleveland for a case, leaving Mike to stay with them. Burnett then moves into Lowrey's apartment with Julie and her dogs. In Julie's presence, Burnett poses as Lowrey while Mike poses as Burnett.

The investigation proceeds with Lowrey and Burnett calling in on their old informants, including Jojo (Michael Imperioli), a former chemist who now works at a tire store. Later, Julie identifies one of Max's killers, Noah Trafficante, while looking through mug shots. The two cops then head off to Club Hell, one of his known hangouts. Unbeknownst to them, Julie has followed, eager to dish out revenge on Max's killers. Her presence alerts the criminals, resulting in Noah fleeing. After a brief fight and car chase, Noah is killed. The incident is caught on camera by a news helicopter. The subsequent report is later seen by Burnett's family.

Lowrey and Burnett decide to visit Jojo again. After an aggressive and convincing good cop-bad cop act from Lowrey and Burnett, Jojo tells them the location of the chemist who is cutting the stolen drugs. After staking out his house, they follow him to where Fouchet is hiding the drugs. They return to Mike's apartment with Julie, where they are confronted by Marcus' wife who blows their cover, causing Julie to try to run. Fouchet and his gang arrive at Lowrey's apartment and kidnap Julie. Because of this, Internal Affairs reassigns all members of the narcotics division, effectively shutting them down, but Captain Howard delays the order to give Lowrey and Burnett a chance to get Julie and the drugs back.

Burnett, Lowrey and two other members of the Miami P.D. (Sanchez and Ruiz) organize a plan to stop the criminals from killing Julie and selling the drugs. A final shoot-out erupts between the group of cops and the drug dealers at an abandoned air field. Burnett is shot in the leg after saving Julie from Fouchet. Fouchet also shoots Lowrey while escaping the building, which is now on fire, but he is rescued by Burnett and Julie who left to get Lowrey's car.

The cops and Julie chase Fouchet's Shelby Cobra AC 427 in Mike's Porsche 911 Turbo. After Burnett bumps him off the road, Fouchet crashes but manages to escape the wreckage. Attempting to run, Fouchet is shot in the leg by Lowrey. Fouchet, knowing he is beaten, tries to goad Lowrey into killing him, which he almost does as revenge for Max's murder, until Burnett prevents it. While on the ground Fouchet then pulls out a concealed weapon and aims at Burnett, but seeing the reflection on his partner's forehead, Lowrey spins and shoots Fouchet numerous times, killing him.

Later, after Marcus and Mike profess their mutual platonic love for one another and their relief in surviving the gun fight, Marcus handcuffs Julie and Mike's hands together and hobbles away hoping for some much needed "quality time" with his wife. Julie and Mike wonder if he has the keys to the handcuffs.
