Description

Bancontact Vector Logo Free Download

Bancontact is the most popular online payment method in Belgium, with over 15 million cards in circulation. Customers use a Bancontact card or mobile app linked to a Belgian bank account to make online payments that are secure, guaranteed, and confirmed immediately.

Bancontact Payconiq Company was formed following the merger of Bancontact Company and Payconiq Belgium. The company is the Belgian market leader in financial services. Company headquarters are in Brussels, Belgium.
