Woo **COMMERCE** WordPress Theme

B Besa

#Featured Platform For Multi-vendor eCommerce Marketplace

Trending on Besa

An online marketplace platform that include **everything you need** to build a successful online business.

[View Demos](#)

The complex block shows a promotional page for the Besa WordPress theme. It features the 'WooCommerce' logo, the theme name 'Besa', and a tagline '#Featured Platform For Multi-vendor eCommerce Marketplace'. A central screenshot displays a product page for a 'Playstation DualSense Wireless Controller'. Below this, there's a 'Trending on Besa' section with a row of product thumbnails. Further down, a grid of multiple product listings is shown, demonstrating the theme's layout. At the bottom, there's a call to action: 'An online marketplace platform that include everything you need to build a successful online business.' and a 'View Demos' button.

Multi-vendor Compatibility

Besa Multi-vendor Marketplace convert your shop into a fully functioning marketplace. It facilitates the process of adding sellers and keep track of their sales.

Dokan Vendor

Bring entrepreneurship to your fingertips. Start creating your eCommerce brand with Dokan Multi-vendor Marketplace solution.

Dokan saves you hundreds of work hours while creating an online marketplace.

WCMP Vendor

Allow vendors to create individual stores, manage their inventories and shipping while you can earn commission on their sales.

10,000+ marketplace owners have trusted WCMP so far.

WCFM Marketplace

WooCommerce Multivendor Marketplace (WCFM Marketplace) is the best free front end multi-vendor marketplace plugin on WordPress, powered by WooCommerce.

It helps you to build your own dream marketplace like Amazon, eBay, etsy, Airbnb or Flipkart within minutes, with minimal setup.

WC Vendors

WC Vendors is an off the shelf marketplace solution. It'll save you months of development and get you launched quickly.

Why pay for a custom solution when you can get a solution tested by thousands of users every day?

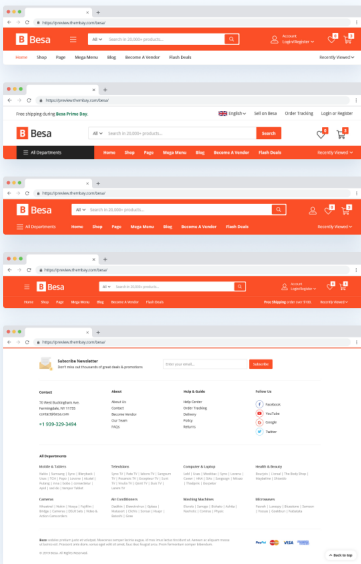

The WordPress Multilingual Plugin

Install, Configure and Fix WPML Complete Support on Besa 2.0

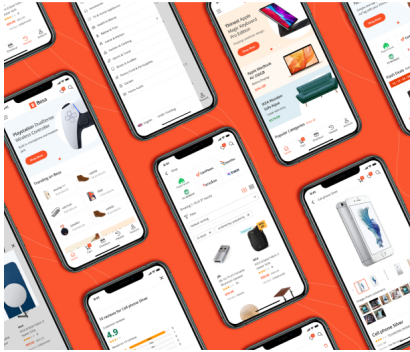

Header & Footer

It has some most unique & powerful custom controls for elementor, such as image picker, ajax select, advanced widget ect.

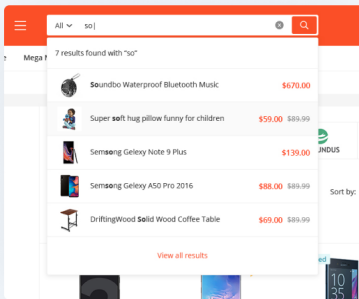

Mobile Optimization

All websites are required to have mobile friendly version by 2020 or suffer the SEO consequences. **1/3 purchases** is on a smartphone.

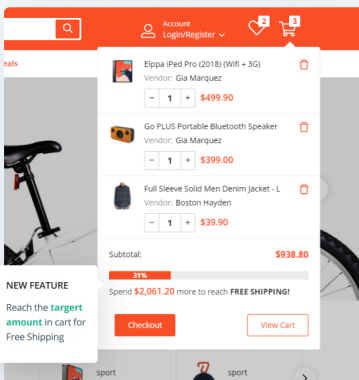

Ajax Live Search

This amazing ajax search can be used to create more **user-friendly** and interactive searches. Live search has many benefits compared to traditional searching.

Ajax Mini Cart

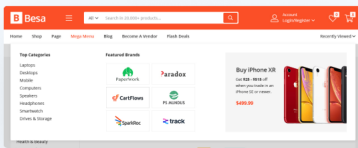

Custom mini cart for WooCommerce. You can **add to cart, update quantity** in this cart via ajax. Also you can edit the style for this cart in the admin panel.

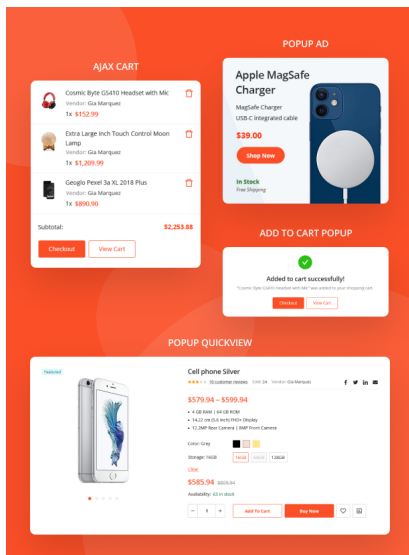

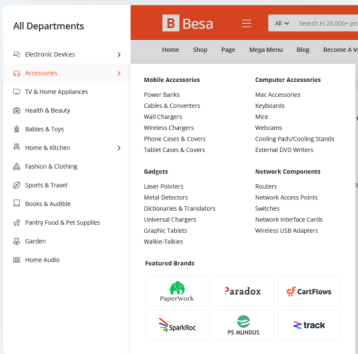

Built-in Mega Menu

Mega menus allow friendly and visual grouping of options into logical groups. A traditional dropdown becomes completely dizzying when the number of options gets too large.

HORIZONTAL MEGA MENU

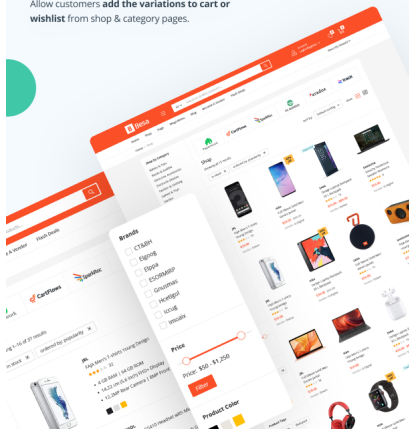

VERTICAL MEGA MENU

Functional Shop Pages

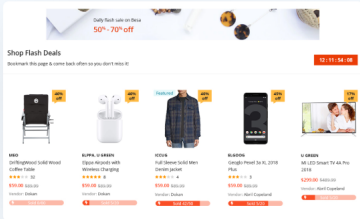

Show specific variable products variations on the shop & category pages.

Allow customers add the variations to cart or wishlist from shop & category pages.

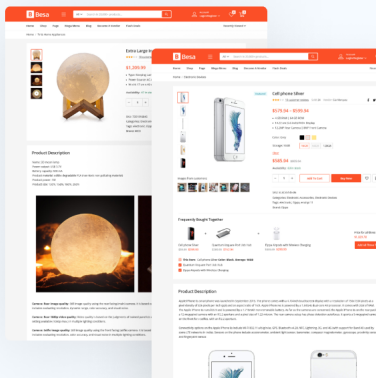

Shop Flash Sales

A discounted product in limited supply encourages visitors to lower the threshold for trying a new product or stocking up on something they know they like.

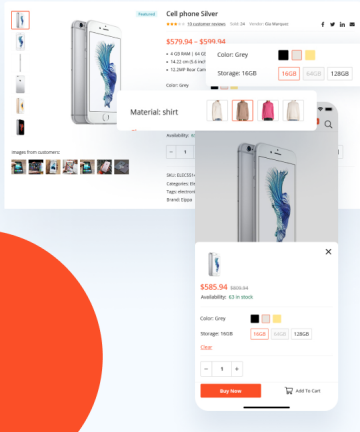

Product Pages

Effective product pages immediately convey the value of a featured product. They show potential customers what a product looks like, tell them what it feels like.

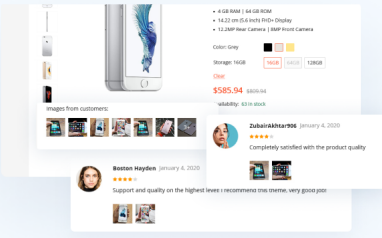

Product Variation Swatches

Product Variations Swatches for WooCommerce is a professional plugin that allows you to show and select attributes for variation products.

Customer Image Reviews

Review photos not only **increase trust and traffic** but they also help maximise conversion potential. Our newest solution makes it easy for happy customers to add their great photos directly to their online reviews.

Clients Say About Us

We are very fortunate to have formed excellent partnerships with many of our clients. We have also formed true friendships.

★★★★★ for **Customer Support** by **panderanin**

The developer of this theme has been extremely helpful to optimize the theme to work with other plugins. I strongly recommend this theme.

★★★★★ for **Code Quality** by **Instaddis**

best ever wordpress woocommerce themes if have more than 5 stars in the rating page i will gwiv 10 stars thanks

★★★★★ for **Design Quality** by **bakanchuka**

Great Theme & it's really easy to use. The best documentation I have seen so far with step by step process to go ahead with the theme right away after purchase. The most outstanding is the customer support. A+++

★★★★★ for **Feature Availability** by **Alumnay**

Amazing theme. Simple to setup. Packed with outstanding e-commerce features. Compatible with Elementor. Mobile optimized. Fast-loading. What more can I say. Great work guys!
