Brand-image is a global Branding & Design Agency. We provide expertise along a continuum of services organized to most effectively position brands for long term success--focusing on Brand Strategy, Design Strategy, Brand Expression through Design (2D, 3D, Environmental), Industrial Design, Packaging, Research, and Innovation. Because of our unique size/scope, we have the resources of a large global network, but operate with the flexibility and creativity of a boutique characterized by seamless customization of programs/talent for each client/project.
