Description

Enrich your mobile experience with Celcom Life! V3.0.33

Looking to improve your everyday life with the largest network in town? Celcom's territory stretches far and wide to ensure a seamless mobile experience, whether staying connected with the rest of the world with competitive local and roaming plans or gaming to your heart's content with steady internet. You can even register your own Celcom Xpax SIM card with our new Self-Registration feature!

We understand the need for every one of users is different, hence why we customise your app with our offerings accordingly.
