Cow and Chicken is an American animated comedy television series created by David Feiss for Cartoon Network and distributed by Warner Bros. Domestic Television Distribution. It is the third of the network's Cartoon Cartoons. It follows the surreal adventures of two talking animal siblings, Cow and Chicken. They are often antagonized by the Red Guy, a cartoon version of the Devil who poses as various characters to scam them.

The original pilot appeared as an episode of the animation showcase series What a Cartoon!. The popularity of the original short allowed Hanna-Barbera to give it the green light for a full series, which premiered on July 15, 1997. Originally, Cow and Chicken was attached to another segment called I Am Weasel, which was later spun-off into its own half-hour series on June 10, 1999. The series was produced by Hanna-Barbera Cartoons. In fact, along with I Am Weasel, it is the last original Cartoon Network show to be entirely produced by Hanna-Barbera Cartoons. It was nominated for two Emmy Awards.
