SYNOPSIS: Eight months after triumphing over Serizawa Tamao, Takiya Genji still struggles to attain supremacy at Suzuran All-Boys High School. Following a decisive defeat at the hands of the legendary Rindaman and on the verge of graduating without fulfilling his goal, Genji grows desperate and begins challenging Rindaman regularly, but consistently suffers defeat by his hands.

Genji's situation escalates when he unwittingly breaks a non-aggression pact between Suzuran and a rival school, Housen Academy, by coming to the aid of Kawanishi Noboru during a heated confrontation. Genji learns that the agreement between the two schools was established two years prior when Noboru violated a gang law due to a skirmish and used a weapon to fatally wound Housen's former leader Bit? Makio. Suzuran had subsequently sworn not to interfere with Housen's retribution upon Noboru's release from prison. Now that the pact is broken because of Genji's stubbornness, his alliance, mainly Serizawa, ask him to be prepared for the upcoming tension that will be created between the two schools.

Genji's protection of Kawanishi provokes Housen's current leader Narumi Taiga to declare war against Suzuran. Genji and his allies engage in several violent conflicts with Housen's "Army of Killers". One such incident leads to the destruction of Suzuran by the foolishness of Gota Washio. Washio was previously affiliated with Suzuran but was banned by Genji, which leads to him joining the rival Housen Academy. In an attempt to take revenge on Genji, Washio burnt down the entire Suzuran school. This leads to the GPS being united for one final stand against Housen Academy.

Both the gang leaders decide to meet at the top of Housen Academy for the final fight, where Genji finally defeats Narumi and his Army of Killers. On his last day at school, Genji challenges Rindaman again, where Genji manages to land a blow on Rindaman, much to everyone's happiness. Rindaman then noted people like him are the reason why Suzuran is interesting. They subsequently resume their fight, with the outcome left ambiguous.
