### Description

Digitalocean V1.0 Spaces Add-on For Filebob Free Download

Digitalocean Spaces isn't an independent storage system. Digitalocean Spaces is available only for Filebob. If you do not purchase Filebob yet then

click here [Filebob File Sharing And Storage Platform \(SAAS\) Free Download](#)

DigitalOcean Spaces provide S3-compatible object storage which lets you store and serve large amounts of data. You can create them in a few seconds and use them immediately with no configuration. Data transfer is automatically secured with HTTPS, and the available storage capacity scales seamlessly.
