Multiple ways to earn money

Plugin Settings for displaying what components go where and a lot more.

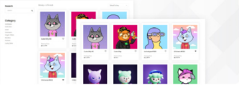

# Enefti

## NFT Marketplace Core

Enefti - NFT Marketplace Core is finally here. The waiting is now over. Creating a full NFT Marketplace in WordPress has never been so easy. We've put effort into a **\$30,000 USD** project and added all the functionalities included on this plugin at only **\$299**.

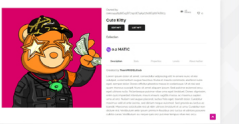

**NFT Listings**  
The Enefti Core is now using its own Custom Post Type for the NFTs, its Factor & Light Weight.

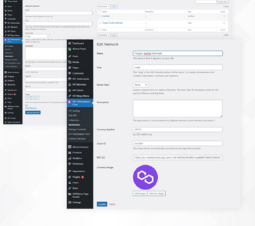

**Mobile Ready**  
Enefti Core is fully responsive and ready to be used on mobile devices.

**Single NFT**  
Single NFT Page has now its own template based on the NFT Custom Post Type with options to Buy, Sell, Buyout.

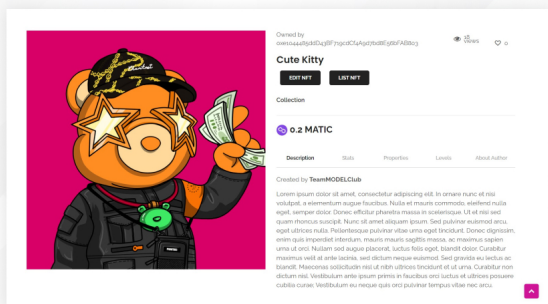

**Blockchains Manager**  
Add, remove or edit blockchains from the WordPress Dashboard directly. No Blockchains limit.
