Extraction 2 is a 2023 American action thriller film directed by Sam Hargrave and written by Joe Russo. It is based on the graphic novel Ciudad by Ande Parks, Joe Russo, Anthony Russo, Fernando León González and Eric Skillman. It is the sequel to the 2020 film Extraction, where Chris Hemsworth, Golshifteh Farahani and Adam Bessa reprises their roles from the first film, while Tornike Gogrichiani, Tinatin Dalakishvili, Daniel Bernhardt, Olga Kurylenko and Idris Elba appear in pivotal roles. In the film, Tyler Rake is initially hired to rescue the family of an abusive crime lord from a prison in Georgia.

Following the successful debut of the first film, Netflix announced a sequel in May 2020 with Joe Russo returning to write, Hargrave returning to direct and Hemsworth returning in the lead. By December, Joe and his brother Anthony hoped that the sequel would develop the characters enough to start a cinematic universe. Filming was scheduled to begin in Sydney in September 2021, but was delayed by the COVID-19 pandemic and eventually started in Prague in November, before concluding in Vienna on April 2022. In addition to the returns of the Russos, Hargrave and Hemsworth, Henry Jackman and Alex Belcher returned to compose the score.

Extraction 2 was released by Netflix on 16 June 2023 and received positive reviews from critics for its action sequences and cast performances.

SYNOPSIS: After barely surviving a previous mission in Dhaka, Tyler Rake retires from mercenary work to a cabin in Austria to recuperate. Tyler is later approached by a stranger called Alcott and asked to rescue Tyler's ex-wife Mia's sister, Ketevan, and her two children, Sandro and Nina. Ketevan married Davit Radiani, one of the co-leaders the Nagazi, the largest crime syndicate of Georgia, which he founded with his brother, Zurab. After Davit threw a DEA agent off a bridge, he was imprisoned and unable to bribe his way out due to the pressure from the Americans. Davit forces Ketevan and her children to move into the prison to keep them from leaving him, but the poor living conditions and Davit's abuse cause Ketevan to call Mia for help.

Tyler recruits Nik and her brother Yaz to join him, and they infiltrate the prison with the help of a bribed guard. Davit alerts the prisoners and a riot ensues. During the extraction, Davit attacks Tyler and Ketevan, resulting in Tyler killing him. Tyler and Ketevan fight their way through the riot but manage to board an armored train. After fighting off Nagazi forces and corrupt soldiers, they get to a plane and escape to Vienna, but Sandro, who idolized his father, secretly contacts Zurab and reveals their location. Zurab and his men find and attack Tyler and his team in their DC Towers safehouse in Vienna. Ketevan scolds Sandro for endangering his own family and naivete. In the chaos, Sandro abandons his mother and joins Zurab.

After killing most of Zurab's men, the team flees in one of his helicopters, but Zurab mortally wounds Yaz. The team retreat to Tyler's cabin, where he and Ketevan are reunited with Mia. Tyler apologizes to Mia for leaving on a mission before their son died from cancer, regretful that the last memory he had was Tyler leaving him. Zurab's right-hand man and uncle Avtandil discourages Zurab from seeking revenge to prevent more losses and to set a better example for his nephew. Refusing to accept defeat, Zurab kills Avtandil and contacts Tyler, telling him to meet at a nearby airfield next to a church. Tyler heads to the airfield but, unwilling to risk losing her, leaves Nik behind. Tyler kills the remaining Nagazi and finds Zurab and Sandro in the church, with Sandro wearing an explosive vest.

Zurab forces Sandro to take Tyler's pistol, but Sandro refuses to shoot Tyler after realizing his mistake and the kind of men his father and uncle really are. Nik arrives and disarms the vest, while Tyler fights and kills Zurab. Nik and Tyler are captured by police and imprisoned. Mia visits Tyler and informs him that Ketevan and her children have been moved to protective custody, but their assets have been frozen. Tyler tells her to give them \$1 million cash, which is hidden under the floorboards in his cabin. Mia assures Tyler that their son died confident his father was a hero. Tyler and Nik are taken out of prison to meet with Alcott, who assigns them on another job, in return for their freedom.
