Description

foodpanda V22.2.0 – food and more, delivered

Craving something delicious from your favourite restaurant? Forgot to pick up the shopping on your way home? We deliver food and groceries in a flash – whatever you're after. It's our mission to bring everything you want, need or crave right to your door, whether it's a meal from your favourite local restaurant or same day grocery delivery and cleaning supplies.

Download the app to check if we're in your city

Our app is crammed with the greatest food experiences in the world. Hungry for wood-fired pizza, a classic burger or super fresh sushi? We know the best food for every cuisine that your city has to offer. foodpanda is the best food delivery service in your city – so take the first bite and download now!

Plus there's more to foodpanda than restaurants. Missing milk? Batteries? Detergent? Order from thousands of products with shops on foodpanda. It's online grocery delivery without the wait. Choose your favourite shops for everything from groceries to drinks to health to pharmaceuticals and even electronics.

How it works

First, enter your address (home/office/treehouse). Then, choose your favourite restaurant or shop and place an order. They prepare your items and, once they're ready, our courier brings them to you. If you need something to watch, you can track your rider in real-time. Just sit back and enjoy.

What makes us special

Whether you're looking for the biggest brands or your favourite local restaurant or shop, foodpanda works with the best spots near you. Pizza or sushi? Groceries or gifts? Whatever you're after, our rider will be at your doorstep with a smile, while you save time to do something else you love.

Talk to us

If you've ordered with us before, we want to know what you think. Give us your food thoughts/confessionals at [This email address is being protected from spambots. You need JavaScript enabled to view it.](#)
