Audio : Preview Included

Hello colleagues!

A very large project with the necessary elements for infographics in the style of HUD.
Using a finished animation.

All elements of the individual. Combine items. Animation is ready to Render my scene.
Insert the comp you need on the timeline line in the comp Render my.

Change the order of comp.

Change the graphics. Controlled by expressions in and graphs and pie chart.

You can change the color in the project .

Render 2D and 3D.

All compositions and elements for 1:00 seconds.

What is included in the project:

Element 31

Graph 25

Pie chart 11

Screen_footage 10

Tachometer 6
