Description

Internet Download Manager Vector Logo Free Download

Internet Download Manager for short IDM is a tool to increase download speeds, resume, and schedule downloads. Comprehensive error recovery and resume capability will restart broken or interrupted downloads due to lost connections, network problems, computer shutdowns, or unexpected power outages. The simple graphic user interface makes IDM user-friendly and easy to use.

Internet Download Manager (IDM), is a tool to increase download speeds by up to 5 times, resume and schedule downloads.
