### Description

JComments Social Login V1.0.7 Plugin For Joomla 3.0 / 2.5 Free Download

The plugin integrates the JComments and the Social Login extension by inserting into JComments form buttons for authorization through social networks. Social Login component allows to login to Joomla web site via following social networks: Vkontakte, Twitter, FaceBook, Odnoklassniki, LinkedIn, Yandex services, Google, and Mail.ru.

This plugin requires [JoomLine Social Login](#) component version 1.4 or higher.
