Description

K-LINK Vector Logo Free Download

K-LINK International started its business in year 2000, it is a leading direct selling company which provides a wide range of innovative and quality products in health care, beauty care, personal care, car care, household care and many more to our global consumer market. From day one, the company received overwhelming support from the consumers.

Established and headquartered in Kuala Lumpur, K-LINK regards the ASEAN Market as the launching pad from which to make forays into and conquer the Asia Pacific and world markets including not only Singapore, Brunei, Thailand, Indonesia, Philippines, India, Taiwan, Hong Kong, Vietnam, Australia but many others as well.
