Description

KK Security Garda World Company Kenya Vector Logo Free Download

KK Security Ltd provides manned guarding services, canine security, facilities management, cash management, global travel risk management and training to clients throughout East and Central Africa. In 2016 we were acquired by GardaWorld, the world's largest privately owned security company. KK Security now forms an integral part of GardaWorld's African network.

KK Security maintains a reputation of integrity, diligence and professionalism that remains unmatched across Africa. For over 50 years, we have delivered tailored security solutions to clients using our expertly trained and skilled staff.
