Koperasi Indonesia Vector Logo Free Download

Koperasi Indonesia regulated in Law of the Republic of Indonesia Number 25 of 1992 concerning the Principles of Cooperatives (UU No. 25/1992). In Indonesia, cooperative organizations have characteristics, namely associations of people, cooperation and mutual cooperation based on equality, rights and obligations. Cooperatives in Indonesia were formed based on the awareness of their members.

Apart from that, cooperatives in Indonesia aim to achieve the common interests of their members. Cooperatives in Indonesia are not a collection of capital. The highest right to make decisions is based on the results of meetings of all members. Cooperatives in Indonesia are implemented without any involvement from parties other than members and are held without any coercion, threats and intimidation from outside parties. The distribution of income in cooperatives in Indonesia is based on the amount of contribution from each member in the form of work and services.
