### Description

Lazada - Shopping and Deals is an app that lets you buy and sell all sorts of products in Southeast Asian countries such as Indonesia, Malaysia, the Philippines, Singapore, Taiwan and Vietnam. The app provides a platform for buying and selling between more than one 1,300 sellers, 600 million users and 3,000 different brands

You can use the search bar in the upper part of the screen to find a specific product, or browse through different categories to discover the different products offered in Lazada. And you'll always be able to find a great deal, no matter what you're looking for, as this platform always offers huge discounts. Each item has a description that includes technical specifications and the material it's made of, so you know exactly what you're buying. Once you find the desired product, click on the size and color options to check if they are available.

Another great feature of Lazada - Shopping and Deals is it accepts various payment methods, making paying or receiving payment for products even easier. Lastly, it offers a very easy way to create an online store and sell your own products.

Lazada Group is an international e-commerce company founded by Maximilian Bittner, Mads Faurholt, Stefan Bruun, and Raphael Strauch with the backing of Rocket Internet in 2012, and owned by Alibaba Group.
