League of Legends: Wild Rift V3.0.0.5295

The 5v5 MOBA gameplay of League of Legends by Riot Games, built from the ground up for mobile. Dive into Wild Rift, a 5v5 battle game with exciting MOBA action, where your skills and strategies are put to the test. With fast-paced arena combat, smooth controls, and diverse gameplay, you can team up with friends, lock in your champion, and go for the big plays.

Play Wild Rift, a battle arena game packed with exciting content and tons of features to explore.

STRATEGY IS KEY - OUTPLAY, OUTSMART, OUTSKILL

- Mobile battle game where your strategy and skills will be put to the test.
- Dynamic arena battle games where different champions, items, and objectives will make you rethink your strategy on the fly.
- 5v5 MOBA action where each game is a chance to land a perfect skill shot, turn the tides of a crazy teamfight, or pull off a sweet, sweet pentakill.

ONLINE BATTLES WITH FRIENDS

- 5v5 games means teamwork makes the dream work.
- Queue up with your squad as a duo, trio, or a full team of five and climb the ladder one enemy Nexus at a time.
- Share the MOBA experience with friends by inviting them through multiple social channels.
- Take on the battle arena of the Rift and earn rewards together by starting or joining a guild!

CHAMPIONS RISE UP

- Enter the arena with a champion that fits your playstyle.
- Dominate the combat arena with a giant sword, freeze enemies in their tracks with an ice arrow from across the map, or lure opponents to their doom with mesmerizing charm.
- A ninja assassin, a warrior of sunlight, a literal mountain, and more. Whatever you want your legend to be, there's a champ for you.

PREMIUM MOBILE MOBA EXPERIENCE

- Arena battle intensity with clear visuals, beautiful graphics, and vibrant characters.
- Multiple game modes, champions, and skins that are constantly updated.
- A mobile battle experience that optimizes the epic 5v5 battle arena gameplay of PC League of Legends.

Android: League of Legends Wild Rift Free Download

- Featuring ever-changing, high-quality content. No two matches in the combat arena are ever the same.

FREE TO PLAY, FAIR TO PLAY

- Always free-to-play, with no way to pay for power or playtime. Ever.
- Earn every champion for free just by playing. No "paid only" champions.
- No paying for matches or time on the Rift.
- Balanced gameplay that prioritizes player skill and party size.
- Strategy wins games, not paying for stat boosts or "better" champs. Every champion represents a tactical choice for your team or your playstyle.
