What our Customers Say

You'll also love building something with **Leverage**.

The theme is **amazing, clean, light, easy to use**, looks great, runs great and is constantly updated with new and improved features.

Honestly I can't recommend these guys enough, **if you are going to buy a theme, buy this one**, don't make the same mistake trying the other "top selling themes" like I did.

Zprime: WordPress Expert User

Brilliant theme, with amazing support. It has it's own contact system without Contact7 or WP Form, the customisability is easy and whatever you ask is never too much. The design is sleek and **easy to manipulate**. Very happy with the responsive nature of the theme.

Londonqueen: WordPress Expert User

We love your item and have selected it to be promoted on our campaign landing page.

We're very much looking forward to **working with you**.

Jess: Envato Marketing Team

Thank you to supporter friends. They are like light. Design is good. **Support is good**. Admin panel and theme settings part is very good.

Theme is **very editable** and not broking.
