Description

Malindo Air V4.17 Android Mobile App.

Welcome to our new all-in-one mobile app.

You will intuitively manage your entire Malindo journey from booking to checking-in with just a few steps.

Search flights from all our destinations, choose between Premium and Economy fare, select your seat, add extra baggage allowance, pay securely, change your booking if needed and check-in online right away.

Enjoy exclusive offers and easy access to your frequent flyer account on the go!

Quick and simple.
