Description

Marvis Vector Logo Free Download

The cult status toothpaste brand Marvis has been in the business of producing effective toothpaste with a retro design for more than 40 years. Marvis was founded in 1958 in Florence, Italy. A toothpaste for smokers was the first in a line of innovative products that were marketed.

Marvis entered the Ludovico Martelli company in 1997, which turned it into the iconic and infinite-flavours toothpaste it is today.
