Description

Mexx Vector Logo Free Download

Mexx is a Dutch fashion brand that was created by Rattan Chadha in 1986 by merging his brands Moustache and Emmanuelle. Take the first letter of both brands and add two kisses to it: Mexx. M + E + XX = MEXX. The advertising campaign "Everything should be XX" from 1986 caught on attention and Mexx became popular.

Create using Adobe Illustrator CC 2020
