Mubari Sound, Light and Truss, company founder Tuan Haji Mubari Nasuha started small by supplying musical instruments to famous music group on that era like Revolvers, Blues Gang, Sweet Charity and other popular bands for their shows. As the business grow bigger he added more equipment in business inventory such as big scale sound and lighting system to cater for the vast demand in the market. The small venture then grew further with the formation of Right Vision Sdn Bhd and MSLTT Logistic Sdn Bhd as a marketing arm to penetrate corporate & government sector event. Both company now headed by 3 sibling which is young, energetic and full of vision. They committed in the mission to continue the legend and participate in more impressive projects and event planning.
