Description

MyFonts Vector Logo Free Download

MyFonts is a digital fonts distributor, based in Woburn, Massachusetts. It was created by Bitstream Inc., launched in September 1999, and started selling fonts in March 2000. In November 2011, Monotype Imaging announced plans to acquire MyFonts and the other font-related parts of Bitstream for \$50 million in cash.

Create using Adobe Illustrator CC 2020
