Description

myTNB V2.3.1 Android Mobile App

Track your energy consumption, pay bills at your fingertips and explore exclusive in-app features – it's never been easier.

- A refreshed design and improved user experience: Get an overview of information that matters most to you at one glance, on a personalised dashboard.
- Track your energy consumption: View and compare your monthly usage with the interactive usage graph. • Manage multiple TNB accounts: Link and manage all your TNB accounts on one platform.
- Pay your bills: Faster in-app payment with the option to save your credit card for seamless transactions. • Notifications: Get notified of your new bills and much more.
- View History: Keep track of your bill and payment history in a single view. • Promotions: Stay up to date with the latest promotions from TNB.
- Find Us: Need to locate a Kedai Tenaga? Use our handy locator to find one near you.
