Description

Nova Sport Bulgaria Vector Logo Free Download

Nova Sport is a Bulgarian sports television channel, part of Nova Broadcasting Group, owned by United Group. The channel launched in 2010 and replaced the music channel MM. It broadcasts live sports events like football, boxing, athletics, golf, basketball, volleyball and others. The television was created with resemblance to the Scandinavian channel Viasat Sport, owned by Modern Times Group (then owner of Nova Broadcasting Group), which shares the same graphic package.
