Description

PERKESO V2.5.3

Prihatin Mobile App is an app built to assist employees and self-employed in accessing their SOCSO account and monitoring their employers' contributions. It allows all 9.37 million PERKESO contributors of Act 4 and Act 800 to monitor their employers' contributions.

Prihatin Mobile App also enables users to keep abreast of SOCSO other services such as Protection & Benefits, Health Screening Programme (HSP) and keep users updated with latest news and announcements from SOCSO.

Features to explore in the Prihatin Mobile App:

(i) Track contributions for the following schemes:

- a) Invalidity Scheme
- b) Employment Injury Scheme
- c) Self-employment Social Security Scheme
- d) Employment Insurance System

(ii) Download contribution statement

(iii) Register as a self-employed contributor

(iv) Pay/extend/renew contributions for self-employed

(v) Calculate eligible benefits

(vi) Get latest news from SOCSO Media Centre

(vii) Access our list of panel clinics

(viii) Learn about SOCSO Health Screening Programme

(ix) Connect with other social partners through MYSYNERGY
