Description

Pinnacle Security Limited Vector Logo Free Download

Pinnacle Security Limited is a full service company that provides bespoke security and risk management solutions to a wide range of clientele throughout Africa and world.

The company was first established and incorporated in Uganda under the Companies Act (Section 16:1) but later expanded it's base to provide services and resources across the world.

It is our vision to be the most comprehensive and proficient provider of security solutions and services in Africa and world. We are proud to be established in Tanzania, Uganda, South Sudan, DRC, Somalia, UAE, Burundi and Iraq
