Description

Popeye and Spinach Vector Logo Free Download

Spinach increases the strength and speed of a character. · It makes Popeye invulnerable, giving him a skin as resilient as steel. · It can turn Popeye into a ... Segar chose the vegetable spinach to give his comic strip character Popeye the Sailor superhuman powers. Quite likely, it was his attempt to prompt children of all ages to eat more of this nutrient powerhouse.

Create using Adobe Illustrator CC 2020
