Description

Progress Coming Soon Website Template Free Download

Progress is a responsive free coming soon template. It has a jQuery countdown ticker and ScrollSpy to initiate CSS fading animations on scroll. Progress also uses my favourite carousel plugin "Owl Carousel" for the changing quotes.

Progress is a responsive coming soon template. It has a jQuery countdown ticker and ScrollSpy to initiate CSS fading animations on scroll.

Progress also uses my favourite carousel plugin "Owl Carousel" for the changing quotes.

It is probably a little more involved for all you beginners out there but hey give it a go.
