Description

Proton VPN Free Download

Proton VPN V2.3.2 is a VPN service operated by the Swiss company Proton AG, the company behind the email service Proton Mail. According to its official website, Proton VPN and Proton Mail share the same management team, offices, and technical resources, and are operated from Proton's headquarters in Geneva, Switzerland.

Proton VPN is a good VPN service, in fact, one of the top ones. It's a great choice for streaming as even the free version can unblock Netflix.
