Description

Responsive FlipBook WP Plugin Free Download

Create any FlipBook with ease. Comes with: bookshelf, pop-up, zoom, Print FlipBook Extension, PDF To FlipBook Extension (extensions need to be purchased separately), table of content, hard covers, flat design, custom styles, lazy load.

From the creators of the best selling FlipBook ever, we present Responsive FlipBook WordPress Plugin. It is fully HTML & jQuery driven no Flash Player needed. Works on desktop and mobile devices! You get the same experience on every platform because responsive design makes it look good on all resolutions. Easy to customize with an advanced admin panel. With version 2.0 it has been complete rewritten from the ground up. Big Thanks to 24beyond for letting us use their brochure & magazine mockups!
