Description

Salim Ivomas Pratama Vector Logo Free Download

PT Salim Ivomas Pratama Tbk is one of Indonesia's largest vertically integrated agribusiness companies. The company is a leading manufacturer of edible oils and fats (branded cooking oil, margarine and shortening). Its principal activities span the entire supply chain from research and development, oil palm seed breeding, oil palm cultivation and milling to refining, branding and marketing of cooking oil, margarine, shortening and other palm oil derivative products.

As a diversified agribusiness group, Salim Ivomas Pratama is also engaged in the cultivation of rubber, sugar cane and other crops as well as the crushing of copra.
