### Description

Sek. Rendah Islam ABIM Vector Logo Free Download

Sekolah Rendah Islam ABIM, In the desire to see the development of balanced spiritual, physical, intellectual and emotional education for Muslim children, ABIM has taken the initiative to advance the primary education plan by establishing an Islamic Primary School (SERI) in parallel with the rapid development of ABIM's Islamic Child Care Center (TASKI).

Indeed, the community's pure desire to see Muslim children educated in Islam will be realized by ABIM, insya Allah.
