Smart Slider 3 Free Download

Smart Slider 3 Component For Joomla Free Download

Essential Features

4 Project Types

PRO

Create anything from standard sliders to complex carousels, blocks and even full page designs.

Dynamic Content

Create completely custom layouts with dynamic data by loading content from different sources.

180+ Stunning Templates

PRO

Pick a beautifully crafted template and change anything you want: add your images, videos, etc.

Slide Library

Build your project piece by piece using pre-designed and simple section. It works like magic!

24 Layers

PRO

Smart Slider comes with an expanding collection of layers. Each layers offers advanced customizations.

Varied Control Elements

Combine the fully customizable arrows, bullets or thumbnails to obtain a unique experience.

SEO Friendly

Smart Slider follows SEO best practice, ensuring your projects rank in front of a wider audience.

Lightbox

PRO

Popup a full-screen image or video lightbox that opens when visitors click on images, links or buttons.

Image Optimization

Reduce image size. Squeeze out every last unnecessary byte, no matter how big is your background image.

Lazy Load

PRO

Lazy load backgrounds for faster speeds, ensuring users only download what they see and nothing more.

Page Builder Compatibility

Smart Slider works flawlessly with Gutenberg, Elementor, Divi, Beaver Builder and Visual Composer.
