Sonic X (Japanese: ソニックX, Hepburn: Sonikku Ekkusu) is a Japanese anime television series based on Sega's Sonic the Hedgehog video game series. Adapted from the "Sonic the Hedgehog" video game series and re-edited for a younger audience, this Japanese anime follows the adventures of Sonic and his friends after an explosion transfers them to the human world. There, Sonic is rescued by a 12-year-old boy named Chris, and together they must sto..
