Original and bright style of presentation – it's the best way to attract a lot of people.

### STREAKS APP PROMO A16

Let me introduce a new project to announce your new application on the phone. For example – watch application, food delivery app, new action game or weather service. That project perfect for making promotion of website, application or landing page on mobile devices like a phone in bright style and original motion design. Streaks App Promo A16 is a template that can be used for demonstrating and advertising mobile apps, services and websites and their user interface. The placeholders are suitable for screenshots, video and any animation. That is a high quality, well organized and easy customizing template. Just drop your image or video, edit the text, add audio and enjoy the result!
