Ong-Bak: Muay Thai Warrior (Thai: ????????, pronounced [??? bà?k]), also known as Ong-Bak: The Thai Warrior or simply Ong-Bak, is a 2003 Thai martial arts film directed by Prachya Pinkaew and featured action choreography by Panna Rittikrai. It stars Tony Jaa in the lead role, alongside Petchtai Wongkamlao and Pumwaree Yodkamol.

Ong-Bak proved to be Jaa's breakout film, with the actor hailed internationally as the next major martial arts star. Jaa went on to star in Tom-Yum-Goong (called The Protector in the US and Warrior King in UK) and directed and starred in two prequels of Ong-Bak titled Ong-Bak 2 and Ong-Bak 3.

**SYNOPSIS:** In the village of Ban Nong Pradu at rural northeastern Thailand, lies an ancient Buddha statue named Ong-Bak. The village falls in despair after thieves from Bangkok desecrate the statue and take the head with them. Ting, a villager extremely skilled in Muay Thai, volunteers to travel to Bangkok to recover the stolen head of Ong-Bak. Ting's only lead is Don, a drug dealer who attempted to buy an amulet in Nong Pradu earlier. Upon arriving in Bangkok with a bagful of money donated by his village, Ting meets up with his cousin Humlae, who has dyed his hair blond and begun calling himself "George". Humlae and his friend Muay Lek are street-bike racing hustlers who make a living out of conning yaba dealers.

Reluctant to help Ting, Humlae steals Ting's money and bets it in an underground fighting tournament at a bar on Khaosan Road. Ting tracks down Humlae and gets his money back after stunning the crowd by knocking out the champion, where his extraordinary skill grabs the attention of Komtuan, a grey-haired crime lord who uses a wheelchair and needs an electrolarynx to speak. It is discovered that Don had stolen Ong-Bak's head to sell it to Komtuan, who sees no value in it and orders him to dispose it. The next day, Humlae and Muay Lek are chased all over town by drug dealer Peng and his gang after a botched baccarat game scam at an illegal street gambling booth. Ting fights off most of the thugs and helps Humlae and Muay Lek escape in exchange for helping him find Don.

They return to the bar, where Ting wins the respect of the crowd after defeating three opponents consecutively. The trio find Don's hideout, triggering a lengthy tuk-tuk chase. The chase ends at a port in the Chao Phraya River, where Ting discovers Komtuan's cache of stolen Buddha statues submerged underwater. After the statues are recovered by local police, Komtuan sends his thugs to kidnap Muay Lek and tells Humlae to ask Ting to fight his bodyguard Saming near the Thai-Burmese border in exchange for Muay Lek and the Ong-Bak head. Ting is forced to throw the match against the drug-enhanced Saming, and Humlae throws in the towel. After the fight, Komtuan reneges on his promise to release Muay Lek and return the head, where he orders his henchmen to kill the trio.

Ting and Humlae subdue the thugs and head to a mountain cave, where Komtuan's men are cutting a giant Buddha statue. Ting defeats the remaining thugs and Saming, but is shot by Komtuan. The crime lord attempts to destroy the Ong-Bak head with a sledgehammer, but Humlae protects it with his body, taking the brunt of the hammer blows. The giant Buddha statue head suddenly falls, crushing Komtuan to death and critically injuring Humlae. With his dying breath, Humlae gives the Ong-Bak head to Ting and asks him to look after Muay Lek. The head of Ong-Bak is restored in Ban Nong Pradu. Humlae's ashes, carried by an ordained monk, arrives at the village in a procession on an elephant's back while the villagers, Ting and Muay Lek celebrate the return of Ong Bak's head.
