**SYNOPSIS:** Sophie and her brother Sam discover that the doll their father brought home from Belgium is actually a living and breathing smurf. It's not just any smurf - Its Clumsy Smurf! Sophie tries to get her mom and dad to embrace Clumsy and a family member, but ultimately she realizes what he really wants is to reunite with his fellow smurfs.

As the Smurfs are getting ready for the Blue Moon Festival, Papa Smurf sees in his cauldron a vision of Clumsy Smurf reaching for a dragon wand and the Smurfs in cages while Gargamel laughs. Not wanting this vision to come true, Papa Smurf refuses to allow Clumsy to pick Smurf Roots, but Clumsy disobeys Papa Smurf and ends up unintentionally leading Gargamel and Azrael to the village. The Smurfs all flee for their lives while Clumsy unknowingly runs towards the Forbidden Falls, with Papa Smurf, Smurfette, Grouchy, Brainy and Gutsy running after him. They find him at the edge of a cliff, and while trying to help him up, they are sucked into a gigantic vortex that spirits them to present day New York City.

To make matters worse, Gargamel and Azrael follow and the Smurfs end up in the apartment of Patrick and Grace Winslow, a married and

expectant couple and their Basset Hound Elway. After clarifying things, the Winslows befriend them and allow them to stay in their apartment. The next day, needing to find a "star gazer", the Smurfs follow Patrick to his work place at Anjelou Cosmetics before he calls Grace to pick them up. However, having extracted "Smurf essence" from a lock of Smurfette's hair, Gargamel also arrives and ends up being treated by Patrick's boss Odile upon using most of his acquired magic to turn her mother young. But Gargamel resumes his search upon recognizing Patrick and following him to the toy store where the Smurfs ran into after finding their star gazer, a telescope. The Winslows manage to save the Smurfs from both the children wanting them and Gargamel, who ends up being sent to jail before he manages to bust out with the aid of house flies.

By that time, Papa Smurf manages to calculate the night he and the others can get home. But first, he must figure out the spell to do so. Patrick tells them that there is an old book store in the city near Anjelou Cosmetics as he bonds with the Smurfs after sending what he believed to be his finished advertisement to be published. However, the next day, Patrick learns that Clumsy accidentally attached a blue-moon themed side project and he loses his temper before walking out on both the Smurfs and Grace to save his job. Forced to search on their own, the Smurfs find the store and find the book *L'Histoire de Schtroumpfs* by researcher Peyo, containing the spell to turn the moon blue. But learning of their location, Gargamel sneaks into the book store and finds the dragon wand from Papa Smurf's vision, transferring his magic into it as he uses it to capture Papa Smurf as he sends the others to safety. Though the Smurfs promised Papa Smurf that they won't try to save him and return home, Clumsy and Patrick, having saw the error of his actions, convince them to plan a rescue.

At Belvedere Castle, after increasing the dragon wand's power with bits of Papa Smurf's beard, Gargamel finds himself facing all the Smurfs that were summoned to New York by Brainy conjuring the blue moon. As the Smurf army battles Gargamel, Smurfette fights Azrael and saves Papa Smurf before they join the fray. Though Gargamel attempts to break the Smurfs by killing off Papa Smurf, Patrick save him while Gutsy knocks the dragon wand out of the wizard's hand. Clumsy tries to catch it, and to Papa Smurf's surprise, manages to catch it and send Gargamel flying into a trash can and being hit by a bus with the advertisement "Blue Moon" with it before Papa Smurf breaks it. Soon after, the Smurfs take their leave as Patrick receives a call from Odile that he still has his job. Later, while Patrick and Grace have a baby boy, whom they name Blue to honor them, the Smurfs rebuild their village in the style of New York, where the Winslows reside. Meanwhile, Gargamel and Azrael are still trapped in New York.
