The Super Mario Bros. Movie is a 2023 American animated adventure comedy film based on Nintendo's Mario video game franchise. Produced by Universal Pictures, Illumination, and Nintendo, and distributed by Universal, it was directed by Aaron Horvath and Michael Jelenic (in his feature directorial debut) and written by Matthew Fogel. The ensemble voice cast includes Chris Pratt, Anya Taylor-Joy, Charlie Day, Jack Black, Keegan-Michael Key, Seth Rogen, and Fred Armisen. The film features an origin story for the brothers Mario and Luigi, Italian-American plumbers who are separated after being transported to a fantasy world and become entangled in a battle between the Mushroom Kingdom, led by Princess Peach, and the Koopas, led by Bowser.

After the critical and commercial failure of the live-action film Super Mario Bros. (1993), Nintendo became reluctant to license its intellectual properties for film adaptations. Mario creator Shigeru Miyamoto became interested in developing another film during the development of the Virtual Console service. Through Nintendo's work with Universal Parks & Resorts to create Super Nintendo World, he met with Illumination CEO Chris Meledandri. By 2016, they were discussing a Mario film and, in January 2018, Nintendo announced that it would produce it with Illumination and Universal. Production was underway by 2020, and the cast was announced in September 2021.

The Super Mario Bros. Movie premiered at Regal LA Live in Los Angeles on April 1, 2023, and was released in the United States on April 5. Although it received mixed reviews from critics, the film grossed \$1.36 billion worldwide and broke multiple box-office records, including the biggest worldwide opening weekend for an animated film, the highest grossing film based on a video game, and the first film based on a video game to gross over \$1 billion. It also became the second-highest-grossing film of 2023, the third-highest-grossing animated film, and the highest-grossing film produced by Illumination. At the 81st Golden Globe Awards, the film received three nominations: Best Animated Feature Film, Best Original Song, and Cinematic Box Office Achievement, a category newly introduced at the same ceremony. A sequel is set to be released on April 3, 2026.

SYNOPSIS: Italian-American brothers Mario and Luigi have recently opened a plumbing business in Brooklyn, to the derision of their ex-employer Spike and the disapproval of their father. After seeing a significant water main leak on the news, Mario and Luigi go underground to fix it but are sucked into a Warp Pipe and separated.

Mario lands in the Mushroom Kingdom, ruled by Princess Peach, while Luigi arrives in the Dark Lands, ruled by the evil Koopa king Bowser. Bowser seeks to marry Peach and will destroy the Mushroom Kingdom using a Super Star if she refuses. He imprisons Luigi to threaten Mario, whom he sees as competition for Peach's love. Mario meets Toad, who takes him to Peach. Peach plans to ally with the primate Kongs to help repel Bowser and allows Mario and Toad to travel with her. She also tells Mario that she ended up in the Mushroom Kingdom as a baby, where the Toads took her in and eventually made her their leader. In the Jungle Kingdom, King Cranky Kong agrees to help if Mario defeats his son, Donkey Kong, in a fight. Despite Donkey Kong's immense strength, Mario defeats him using a Cat Suit.

Mario, Peach, Toad, and the Kongs use karts to drive back to the Mushroom Kingdom, but Bowser's army ambushes them on Rainbow Road. When a blue-shelled Koopa General destroys part of the road in a kamikaze attack, Mario and Donkey Kong plummet to the ocean while the other Kongs are captured. Peach and Toad return to the Mushroom Kingdom and urge the citizens to evacuate. Bowser arrives aboard his flying castle and proposes to Peach, who reluctantly accepts after Bowser's advisor Kamek restrains Toad. Mario and Donkey Kong, having been eaten by an eel-like Maw-Ray, learn they both want the respect of their fathers. They escape the Maw-Ray by riding a rocket from Donkey Kong's kart and hurry to Bowser and Peach's wedding.

At the wedding ceremony, Bowser intends to execute all of his prisoners in lava in Peach's honor. Toad smuggles an Ice Flower into Peach's bouquet, which she uses to freeze Bowser. Mario and Donkey Kong arrive and free the prisoners, with Mario using a Tanooki Suit to save Luigi. Bowser frees himself and summons a "Bomber" Bill to destroy the Mushroom Kingdom, but Mario knocks it off course and directs it into the Warp Pipe, where it detonates, creating a vacuum that sucks Bowser's castle and its current occupants into Brooklyn.

Mario attempts to grab the Star but is attacked by the enraged Bowser, who also swiftly defeats Peach, Toad, and Donkey Kong. Mario sees his business's commercial on a TV and is motivated to face Bowser, who almost incinerates him. Luigi saves Mario, and they both grab the Super Star. Becoming temporarily invincible, they defeat the Koopas, destroy Bowser's castle, and incapacitate Bowser. Peach then shrinks Bowser with a Blue Mushroom and imprisons him. Mario and Luigi are hailed as heroes by Brooklyn's populace, including their parents and Spike.

Sometime later, the Mario brothers move to a house in the Mushroom Kingdom. They begin a day of plumbing work together.
