Description

TMNet Streamyx Vector Logo Free Download

TM Net is an Internet service provider in Malaysia. As of 2009, it was the only fixed line broadband provider in Malaysia It also provides Internet Protocol television and other multimedia services. TM Net is a wholly owned subsidiary of Malaysia's main telecommunication provider, TM Bhd.

TM is no longer offering Streamyx, phasing out the 21-year-old service that's been outmoded by their Unifi fibre and mobile broadband plans.
