ONE STEP MONEY TRANSFER.

Just key in a phone number to transfer money instantly to other Touch 'n Go eWallet users.

TOLL PAYMENTS WITH PAYDIRECT/RFID.

Pay for tolls straight from the app! Just add your Touch 'n Go card to the app and your eWallet balance will be deducted instead of your card when you tap at tolls! You can also buy your RFID tags right from the app.

Here's how it works:

1. Add up to 3 Touch 'n Go cards to the eWallet
2. Use the added cards at all Klang Valley tolls except ELITE, NKVE, SKVE and LEKAS.
3. The toll fares will be deducted directly from your eWallet, your Touch 'n Go card balance will not be touched unless there's no balance in your eWallet.
4. Reload your eWallet using FPX online banking, cash over the counter or with your credit/debit card (Activate auto-reload for more convenience!)

Get RFID tag installed for your cars and toll fares via RFID will be taken directly from the eWallet.

PAY FOR PARKING.

Pay for your street parking from wherever you are! Now available at DBKL, MPSJ, Perbadanan Putrajaya, Majlis Daerah Kuala Langat, M.P. Kota Bharu & more coming up!

BOOK MOVIES FAST.

Pick a seat from major cinemas like GSC, TGV, MBO and more directly within the eWallet and pay in 2 steps!

If you like, you can reload your eWallet with Touch 'n Go eWallet Reload PINs. You can buy from convenience stores, petrol stations and

pharmacies namely KK Mart, Mydin Caring Pharmacy, Petronas and so many more to reload too!

We are constantly updating the eWallet to add more features and conveniences.
