Vietnam Helicopters (VNH), formally the Vietnam Helicopter Corporation (VNH Corp or VHC; Vietnamese: T?ng công ty Tr?c th?ng V?t Nam - Công ty TNHH, lit. 'Vietnam Helicopter Corporation - LLC'), also known by its military designation Corps 18 (Vietnamese: Binh ?oàn 18), is a transportation business owned by the Vietnam Ministry of National Defense. It operates helicopters to transport cargo, train pilots and export/import devices in the aviation industry as well as providing aircraft maintenance while offering commercial services such as tourist transportation. Being a military-associated organization, VNH also operates state-sponsored flights serving civil defense purposes including medical evacuation and search-rescue missions.
