Winnie-the-Pooh: Blood and Honey 2 (stylised as Winnie-the-Pooh: Blood and Honey II) is a 2024 British independent slasher film directed by Rhys Frake-Waterfield and written by Matt Leslie. It is the second installment of The Twisted Childhood Universe (TCU) and a sequel to Winnie-the-Pooh: Blood and Honey (2023), which serves as a horror retelling of A. A. Milne and E. H. Shepard's Winnie-the-Pooh books. The film stars Scott Chambers as Christopher Robin, and Ryan Oliva as the titular character, with Tallulah Evans, Teresa Banham, Peter DeSouza-Feighoney, Alec Newman, and Simon Callow in supporting roles. It follows Pooh as he embarks on a murderous rampage through Christopher Robin's childhood town to seek revenge on him for revealing his existence to the world.

Following the success of Blood and Honey, director Frake-Waterfield expressed interest in a sequel that, eventually, was greenlit in November 2022. The film utilizes metafictional and film within a film elements as Chambers, Oliva, and Eddy McKenzie replace original cast members Nikolai Leon, Craig David Dowsett, and Chris Cordell in the roles of Christopher Robin, Winnie-the-Pooh, and Piglet, respectively.

Winnie-the-Pooh: Blood and Honey 2 premiered in London on 18 March 2024, and was theatrically released in the United States on 26 March 2024, and in the United Kingdom on 7 June 2024. The film received mixed reviews from critics, who considered it to be an improvement over its predecessor. It was a commercial success, grossing \$7.6 million worldwide on a budget of \$500,000. A sequel, Winnie-the-Pooh: Blood and Honey 3, is in development.

SYNOPSIS: Shortly after surviving Winnie-the-Pooh's and Piglet's killing spree, Christopher Robin flees from the Hundred Acre Wood and returns to his childhood town of Ashdown to seek help; the corpses of Maria and her friends are recovered from the woods, but Christopher is believed to be responsible.

The incident is dubbed the "Hundred Acre Massacre", and a film adaptation based on the murders is released, damaging Christopher's

reputation in Ashdown. Now an outcast of the town, Christopher has nightmares about Pooh and goes to his hypnotherapist Mary Darling to deal with a childhood trauma when his twin brother Billy was kidnapped and never seen again.

Meanwhile, in the Hundred Acre Wood, Pooh and Piglet are forced to hide with fellow creatures Tigger and Owl due to a few people who actually believe in Christopher's story. When they slaughter three university students who came to investigate in a recreational vehicle, Owl tries to convince Pooh to attack Ashdown instead of simply waiting for more people to come to the woods. After some hunters ambush the creatures and kill Piglet as revenge for the students' death, Pooh kills them in retaliation and reconsiders Owl's proposal. However, one of the hunters survives the ordeal and makes it back to Ashdown.

Due to the town's negative backlash, Christopher loses his job at the local hospital and returns to undergo further hypnotherapy with Mary. The surviving hunter arrives at the hospital for treatment and Christopher suspects the attack was done by Pooh, which is confirmed when he asks the hunter what happened. He also meets hospital janitor Cavendish, who reveals that he worked for Dr. Arthur Gallup, a scientist who forced him to kidnap children around Ashdown for experiments with animal genes. The children did not survive and were buried in the Hundred Acre Wood, where they came back as half-animal, half-human hybrids with an enhanced healing factor. Christopher confronts him and Cavendish admits that Billy was among the victims, being resurrected as Pooh, before he commits suicide out of guilt.

Upon learning of the creatures' imminent attack, Christopher warns the entire town but faces ridicule and skepticism. As night falls, Pooh, Tigger, and Owl embark on a rampage throughout Ashdown and kill several residents on the way, including Mary and Christopher's best friend Finn. Pooh personally kills Christopher's parents Alan and Daphne and kidnaps his younger sister Bunny. Christopher's new girlfriend Lexy is also attacked but survives while the creatures arrive to a rave party at a warehouse and slaughter all the partygoers. Christopher kills Tigger and learns that Bunny was kidnapped. He returns to the Hundred Acre Wood and fights Pooh, who easily subdues him. When Christopher calls Pooh by his real name, Billy, he tries to remember his childhood but accuses Christopher of abandoning the creatures, deeming him responsible for Eeyore's death years prior.

Christopher is forced to kill Pooh with an axe before he reunites with Lexy and Bunny. CCTV footage from the creatures' killing spree on Ashdown is passed to the police, and Christopher is cleared of all wrongdoing. Owl, having survived, recovers the bodies of Pooh, Tigger, and Piglet, and promises to find a way to revive them and get revenge on Christopher once and for all.
