Description

Woo B2B Sales Agents Plugin Free Download

All the features you need to manage sales agents network: commission calculation, customer assignment, statistics, notifications and so on... WooCommerce B2B Sales Agents does all of these, in only one plugin, to allow you to expand your digital business quickly and easily.

WooCommerce B2B Sales Agents is the best solution to introduce your company's sales agents in online store with WooCommerce.

PAY ONCE, LIFETIME UPDATES

Unlike other plugins that require annual renewals, with WooCommerce B2B Sales Agents you have the most complete sales agents suite available with a single payment and at a constant price! In addition, you have access, without extra cost, to all future updates, forever.

We are always working to add new features with targeted updates, which do not compromise the stability of your site.

EVERYTHING YOU NEED IN A SINGLE SOLUTION

WooCommerce B2B Sales Agents is really simple to use, but at the same time very powerful. It has all the features that a successful sales agent based store must have and even more: special and unique features, designed and developed by combining our experience and the requests of our users, to create a truly unique suite!
