PH WooCommerce Bookings And Appointments V3.3.8

WooCommerce Bookings and Appointments is a powerful plugin that allows you to convert your time, products or services into bookable resources. This plugin allows service providers and businesses of all types to easily integrate and empower their WooCommerce websites with a simple booking solution.

OFFER SINGLE-DAY BOOKING

Users can select one available day to book.
Suitable for Single-Day Tour Booking, Hall Booking, etc.

OFFER MULTIPLE DAYS BOOKING (FIXED NUMBER)

Users can select a fixed number of days to book by selecting a start date. Suitable for Online Courses, Event Ticket Booking, etc.

OFFER FLEXIBLE BOOKING WITH START & END DATE

Users have the flexibility to select a start day as well as an end day. Suitable for Hotel Room Booking, Online Bike Rentals, etc.

OFFER SINGLE APPOINTMENT WITH START TIME

Users can select a single slot based on available times. Suitable for Doctor Appointments Booking, Salon Appointment Booking, etc.

OFFER FLEXIBLE BOOKING WITH START & END TIME

Users have the flexibility to select a booking start time as well as an end time. Suitable for Sports Venue Booking, Online Boat Rentals, etc.

OFFER RECURRING BOOKINGS

Using the Recurring Bookings add-on plugin, users can choose a recurring period for their bookings. Suitable for Online Class Booking, Online Therapy Session Bookings, etc.

OFFER MULTIPLE NON-ADJACENT BOOKINGS

Using the Multiple Non-Adjacent Bookings add-on, users can place multiple bookings of non-adjacent dates or times in a single order. Suitable for Rental Services, Therapy Session Bookings, etc.

The plugin easily calculates total booking costs based on customer preferences such as

- Number of Slots Selected
- Additional Services
- Number of Guests
- Discounts and Special Prices
- Service providers

Set up special prices and discounts easily by creating unlimited rules for the combination of pricing based on factors such as

- Number of Days
- Number of People
- Weekends Or Weekdays
- Specific Dates
- Specific Time of the Day
- Seasons

Set Bookings Availability Rules to

- Block out any weekdays or weekends
- Block out specific dates
- Block out specific times on the weekdays
- Block out a specific time of a specific date
- Block out certain months or seasons

and more..
