Description

WooCommerce V6.5.0 WP Plugin Free Download

WooCommerce V6.5.0 is now available for download.

What's new?

This release fixes an issue where a database migration introduced in V8.6.1 contained a hard-coded database prefix. For complete details, please see this developer advisory.

You can download the latest release of WooCommerce here or visit Dashboard ? Updates to update the plugin from your WordPress admin screen.

As usual, if you spot issues in WooCommerce core, please log them in detail on GitHub. Found a security issue? Please submit a report via HackerOne.
